AHEC SCHOLARS

AHEC Scholars December Webinar

The December 15th AHEC Scholars webinar focused on the "All About the Alabama Preceptor Tax Incentive Program," providing a comprehensive overview of the initiative designed to guide scholars in involving their preceptors. The session featured the program's key components, eligibility criteria, and application process. By the webinar's conclusion, AHEC Scholars were well-equipped to navigate and leverage the Alabama Preceptor Tax Incentive Program, fostering a stronger connection between healthcare education and practice in the state.

Lewis/Ferguson Internships and Fellowships

Deadline: Wednesday, January 31, 2024

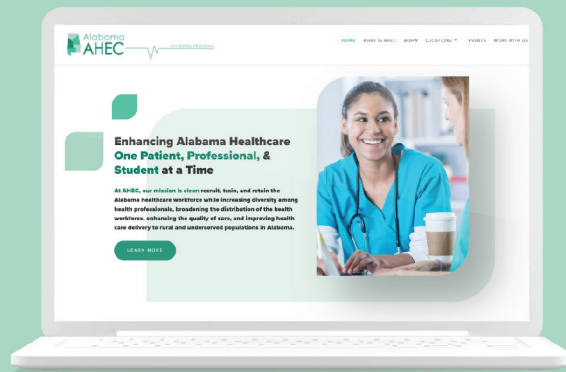

About Program

The Lewis Scholars Program introduces undergraduate students to topics in minority health and health equity and supports their career development. Each institution delivers a program with specific focus areas within public health and minority health. Some focus areas include maternal and child health, occupational health, social determinants of health, elimination of health disparities, environmental justice, and climate and health, and developmental disabilities.

About Alabama Statewide AHEC

The Alabama Statewide Area Health Education Center is dedicated to recruiting, training, and retaining the Alabama healthcare workforce while increasing diversity among health professionals, broadening the distribution of the health workforce, enhancing the quality of care, and improving health care delivery to rural and underserved populations in Alabama.

*The Alabama Statewide Area Health Education Center is funded in part by the **Health Resources and Services Administration**, the federal agency charged with training health professionals and improving health care for people who are geographically isolated, economically disadvantaged or medically vulnerable. The contents of this website are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.*
